

SCOTTSDALE COUNTRY
DAY SCHOOL

Provision of Physical Space at SCDS During Coronavirus Closure

Scottsdale Country Day School will provide for free, a physical location for students to go beginning August 17th and lasting every day thereafter until in-person schooling resumes. This location will be in a designated classroom at the SCDS building and will be supervised by an SCDS staff member. This supervision will not include instruction for students and although SCDS is mandated to create this space for parents and students by the Arizona Governor, there are safety risks involved for students and staff due to coronavirus, which is why the school is not open. Points to consider

- 1) **Students will be assigned a classroom where they will be for the full day.**
- 2) **Parents will need to drop off their child no earlier than 8:45am**
- 3) **Parents will need to pick up their child by 3:15pm**
- 4) **For any student not picked up by 3:15pm there will be a \$20 charge per every 15 minutes not picked up. For example, if a child is picked up at 3:31PM, there would be a \$40 charge.**
- 5) **All students will need to bring their own lunch, water bottle, and snacks.**
- 6) **Students will be expected to independently log in to their class and do the assigned work between 9AM-3PM.**
- 7) **Parents should send additional work or activities with students for them to do when there is no instruction.**
